RECORDED - 115

I thought you might be interested in knowing that Mr. Seth W. Richardson, Chairman of the Loyalty Review Board, has advised that the employee has been retained in his position with the Veterans Administration.

The basis for the investigation conducted by the Bureau under the provisions of Executive Order 9835 was information received in 1943 from Confidential Informant Newark T-1, a reliable informant, that Bert Schwartz of 1453 West Clinton Avenue, Irvington, New Jersey was a member of the Irvington Branch of the Communist Party. It will be noted that on the Loyalty Form submitted by the Veterans Administration on the employee Schwartz listed as a former address 1453 Clinton Avenue, Irvington, New Jersey. Upon recontact in instant investigation, Confidential Informant Newark T-1 in addition to reiterating his information furnished in 1943 further advised that Schwartz at that time was carried on a leave status with the Communist Party as he was then in the United States Army.

Confidential Informant Newark T-2, of known reliability, advised that in 1944 Ruth Weinberg, wife of the employee, was a member of the West Side Branch of the Communist Party, Essex County, New Jersey, and was also on the Executive Committee of that Branch. The same informant advised that he understood Bert Schwartz was a member of the Irvington Branch of the Communist Party.

Confidential Informant Newark T-3, of known reliability, advised that in June, 1945, Ruth Schwartz was a member of the Communist Political Association in Essex County, New Jersey. This informant furnished a photograph of a card which he stated was a membership record card of Ruth Schwartz in the Communist Political Association.

Confidential Informant Newark T-4, an informant of known reliability, advised that Ruth Schwartz, wife of the employee, was a member of the West Side Branch of the Communist Party in Essex County, New Jersey, in 1944. This informant made available Communist Party membership book #63306 in the name of Ruth Schwartz.
